Racing Car in the United States is in the City.

The world's greatest and fastest long distance racing automobile is in the city and the many lovers of the racing game and other local automobile admirers who were not fortunate enough to see the wonderful 500-mile Sweepstake race at Indianapolis last May, and see Joe Dawson drive the National 8, a stock car, the fastest 50 miles that has ever been traveled by a motor car can have the pleasure of at least seeing the car that made the record.

The Johnson-Ransome Automobile Company, local agent for the National car, has the car at its garage and anyone wishing to see the car can do so by calling there. The car will be taken out each afternoon while here and if at any time you hear a noise like the bombardment of Fort Arthur all you will have to do to see the wonderful car will be to look quick where you hear the noise and you will see Joe Dawson's pet in action. The only difficulty the local people have with the car is to drive it slowly enough to comply with the local speed laws. The car does not begin to run right until it is making about forty miles an hour and it is a hard matter to slow it down to ten miles an hour.

In the race the car made the 500 miles in the record time of 381 minutes and six seconds. Fourteen minutes of this time was taken up by changing tires and making other repairs, making the actual running time of the car 367 minutes and six seconds, an average of eighty-one miles an hour for the 500 miles.

AID SOCIETY MEETS.

The Queen Esther Aid Society of Trinity Methodist Episcopal church, colored, met at the home of Mrs. Annie Meade on East Main street a recent afternoon. After a business session the society was favored with a beautiful solo by little Miss Naomi Wilson. The hostess served a palatable three course lunch which was enjoyed by the members present. The next meeting will be held at the Methodist Episcopal church on Ben street next Friday afternoon at 3 o'clock.

Make Us Prove It

We dare not exaggerate to you. We are dependent upon your patronage. To get it we must have your trust and confidence. We make the following statements with a full understanding of what they mean to us. You are safe when you believe in these statements.

For the Bowels

If you only knew as much as we and those who have used them know about Rexall Orderlies, you would be as enthusiastic about recommending them as we are. They taste just like candy. They act so easily and so pleasantly that the taking of them is a pleasure.

Even children like Rexall Orderlies; and you know that if a medicine appeals to a child, it will appeal to grown-ups.

Rexall Orderlies

help chase gloom, dispel blues and make you feel happy by their splendid tonic, cleansing and strengthening effect upon the bowels. They act to free the system—and keep it free—from the distress and ill feeling that naturally results from irregular and inactive bowels.

Rexall Orderlies do this quietly, without griping or causing nausea, purging or excessive looseness. They act to overcome and remove the cause.

CAUTION: Please be in a full meal. You can buy Rexall Orderlies at all drug stores.

of bowel ills and in a short time usually make unnecessary the continued use of physician and purgatives thus tending to stop such unhealthy habits as may have been formed.

Make Us Prove This

We do not ask you to take our word for this. We want you to make us prove it, and at the same time to you.

Buy a box of Rexall Orderlies at our store. Use them once, or use up the whole box. Then, if you are not thoroughly satisfied, let us come back empty handed and tell us. Without obligating you or questioning us we will refund the money you paid us for them.

Doesn't that indicate that Rexall Orderlies are at least worthy of trial? Doesn't it prove our faith in them? Doesn't it merit your confidence? Could any offer be more fair to you?

We particularly recommend Rexall Orderlies for children, delicate and aged persons. Rexall Orderlies come in convenient vest-pocket size tin boxes. 12 tablets, 10c; 36 tablets, 25c; 60 tablets, 50c.

Res. H. On. rises not sold by all drug stores. Only at the Rexall Stores.

FREE CHILD

Born in West Virginia a Parkersburg Woman.

On June 20 at 12 o'clock noon, West Virginia will be exactly 50 years old. This event of course will be fittingly celebrated all over the state, the celebration centering at Wheeling.

Of interest in this connection is the

fact that Mrs. Lucy (Knopp) Gardner now living at Parkersburg, was probably the first child born in West Virginia. Her birth occurred simultaneously with the birth of the state on June 20, 1863, near Point Pleasant, Mason county. If it is found that Mrs. Gardner was the first child born in the new state, she will be asked to attend and take a prominent part in the celebration at Wheeling.
